## SPEAKING TOPICS

### BLACK HISTORY ALIVE

Hasan uses his unique gifts as a storyteller & performer to introduce audiences to America’s History through the eyes and experiences of little known or unknown but ever present heroes like York, the only African- American member of the Lewis and Clark Expedition and A.A. Burleigh who escaped enslavement at 16 to join the Union Army and fight in the Civil War. These stories reinforce the true strength of America that has always come from its diversity.

### HOPE, PERSIST, OVERCOME

Hasan has an amazing message for youth and adults who have faced difficult times. Highlighting his own struggles and the strategies that he used to not just survive but thrive, Hasan is ready to have some “ Real Talk” about what it takes to start where you are and go where you dream.

### PAGES FROM A HOPE DEALER HANDBOOK

For those who have committed to improving the lives and opportunity for others, Hasan shares the inspiring strategies that his Hope Dealers used to move him along the path from Hasan Davis Juvenile Delinquent to Hasan Davis Juris Doctor. To do this work, Hope is mandatory, because you cannot give what you don’t have.
